Marine Data Recovery:
RECOVERY of Logbooks And International
Marine data (RECLAIM) Project
(Doc. 4.4)***

ETMC-II, Geneva, 26-27 March 2007
S. Woodruff, NOAA/ESRL

RECLAIM

- Follow-up, initiated in 2004, from EU **CLIWOC** (1750-1850) project
- Substantial resources for imaging and digitization: NOAA Climate Database Modernization Program (**CDMP**)
- Example activities: KNMI and UK
 - ✓ National cost sharing with CDMP
- Setting future priorities & quantifying value of adding historical data: complex challenges

Blend Candidates
